

Robert Ferguson Primary School

Merry Christmas and a Happy New Year!

Dear Parents/Carers,

The season of good will and monumental generosity

Thank you for your continued support and generosity with our fundraising events. Thanks to your kind donations, we have raised an amazing £1200 for charity this term.

On Friday 18th November we took part in Children in Needs' Spotacular event and raised an amazing £600! The children enjoyed taking part in the events organised by School Council including; splat the teacher, a disco and cake sale.

£600 was also raised for CFM's Cash for Kids charity from the collections from the Christmas performances and donations on Christmas jumper day.

Books, books, books...

I enjoyed taking our first group of Book Commandos to a large book warehouse. They made light work of spending £1000 on new books for school. The children found out which authors and subjects were popular with their classmates and selected some great titles. The new books have created quite a buzz of excitement, and I know there are lots of children who would like to help me spend more of our book budget in the New Year - I'm already on the look out for some enthusiastic readers to join me on the next trip!

Christmas Nativity Plays

Thank you for all the encouraging and appreciative comments following 3 wonderful performances (Early Years, KS1 and KS2), each with multiple showings. I was very impressed with the standard of singing, acting and dancing during these very valuable opportunities for pupils to develop a whole range of important skills.

Fundraising for a New Minibus

We are incredibly grateful to the hard-working Friends of Robert Ferguson who, ably supported by the school staff succeeded in raising a fantastic figure of £1770 at our Christmas Fair! This brings us nearer still to our goal of purchasing a new school minibus, hopefully some time in 2017.

Yours sincerely,

G Frost
