

# Robert Ferguson Primary School

**£1,260 raised for Comic Relief 2015**

Fundraising events for Red Nose Day 2015 took place across the country. On Friday, pupils from Robert Ferguson Primary School in Denton Holme, Carlisle, performed a dance routine in the playground to Bruno Mars' song, Uptown Funk, to help raise funds for the charity.

We all (staff included) had a fantastic time making our faces funny for money in aid of Comic Relief 2015. If you haven't already seen it, have a look at the video clip on the school website of our amazing dance led by Mrs Katie Craig. The ideas for how to raise money were put forward by our school council, who sold red noses and did an assembly to raise awareness prior to the event.

The image above was featured twice on the BBC news website. Thank you for your generosity which helped us raise an amazing total of £1,260!

## Joint School Council Meeting

School Council have also been representing the school at a recent joint school council meeting at the Civic Centre, attended by the mayor, Steven Bowditch and leader of Carlisle City Council, Colin Glover.

## Celebrating Books and Reading

Another World Book Day has been and gone, but we are still excited about books and reading, encouraging our pupils to take every opportunity to practice - at home and school.

Have you visited your local library recently? We are great fans of local libraries - a great source of books at no cost to young readers.

We loved the “shelfies” (extreme reading) photos which you sent in - some of our

pupils  
(and  
staff)  
found  
very  
unusual  
places to  
read.

### There's more to Reading than Books...

It is easy to forget that reading includes non-fiction (information books), magazines, comics, graphic novels, poetry and newspapers. Also, it is becoming increasingly popular to read books and information on electronic devices. For example, pupils in Year 5 used the tablet computers to research the author J K Rowling as part of their studies this term.

## Boucle D'or et les Trois Ours

(Goldilocks and the Three Bears) was performed by Year 4 in an assembly for parents, all in French. They also sang songs by George Ezra and Bastille, accompanied by Mr Anderson on Piano.

## York Residential

Year 6 travelled to York for a 3 day residential. This year included a Tudor workshop at The Yorkshire Museum, as well as York Minster, Jorvik and The National Railway Museum. Here

## River Studies

Year 5 have been studying rivers as part of their geography studies.

Year 5 followed this by presenting what they had learned to the rest of school in assembly.

they are pictured walking a section of the historic walls.

## Eclipse

We enjoyed the awesome experience of witnessing a partial solar eclipse.

The whole school came out into the playground to witness the change in light and temperature. Some classes were able to safely glimpse the eclipse briefly through welding masks. This picture was taken through one of the masks.

# Sports News

"Our team played 5 games, drew the first three 1-1, 0-0, and 2-2, dominating possession and creating chances. They went on to win their final 2 games 2-0 and 3-0, finishing unbeaten and 1 point away from winning the group. Excellent attitude and immaculate sportsmanship by the players."

- Mr Pearson.

"Our netball team played 4 games against Scotby, Kingmoor, St Monica's and Newlaithes. They demonstrated excellent team skills and perseverance, representing the school well and enjoying every minute! They won 1 game, drew 1 and lost 2."

- Mrs Cannon.
